

VISUAL DROP KIT PTS4

Overall Parameters

Product Name

PTS4 Drone Visualized Drop Kit

Supported Aircraft

Matrice300 RTK Series

Dimension

57.4 x 57.4 x 54 mm

Interface

DJI SkyPort V2

Rated power

10W

Weight

135g

IP Rating

IP4X

Overall Parameters

Section Num

4

Rope length

/

Single load

Maximum 5kg, The actual load Subject to drone load

Total load

Maximum 20kg, The actual load Subject to drone load

Drop Function

Single-drop & Full-drop

Rope Function

/

Installation mode

Quick disassembly

Camera Parameters

Resolution

1920*1080

Coding format

H264

FOV

86°

Image transmission distance

Same with Drone

Temperature Parameters**Operating Temperature**

-10°C-50°C

Storage Temperature

-20°C-60°C
