

DELTA 2 EB - ECOFLOW DELTA 2 EXTRA BATTERY

GENERAL

Expanded Capacity: Delta2 expands up to 2048Wh with an additional battery, keeping your home "powered on" in any emergency.

Convenient Charging: Delta2 and its extra battery charge and discharge in unison. Charging from portable solar panels, AC outlets, or smart generators is straightforward.

Fast Charging: Charge Delta2 from 0-80% in 70 minutes and from 0-100% in 120 minutes with AC input.

Internal Storage Compartment: Get additional storage for accessories, saving space.

Powering Multiple Devices: Delta2 is compatible with every port you need to power any device, anywhere, so you'll always feel well-equipped.

Control from Anywhere: Get information on battery charge, remaining charging time, remaining hours, and more on the built-in screen. You can check the battery status anywhere from the EcoFlow app.
